

Build great advantage in Math!

It's fun!

Build confidence and get advanced!

Your child will build and strengthen their advantage in math while learning critical skills. Your child will love:

- ✓ **Highly efficient tablet-based learning** will accelerate learning and makes learning an enjoyable experience.
- ✓ **Fully personalized support** by RISU tutors drives effective learning.
- ✓ **Complete coverage of math**, including Geometry, word questions, and more, enables your child to be CCSS test ready. It is the best next step for Kumon™ students.
- ✓ **Learning at his/her own pace** enables faster advancement in a low-stress setting
